**Activity** The operation of a facility or the provision of a service.

**Asset Management Plan** A plan, which identifies the current status of an asset, future renewal programme and options to meet growth due to demand/expansion.

**Capital Development** Is the creation of new assets or the addition of new components to existing assets that extend any assets service potential.

**Capital Renewal** Is the replacement of existing assets when they have reached the end of their useful life.

**Community Outcomes** The community's priorities for the future of the District, identified through a community consultation process.

**Cost of Service** The true cost of performing an activity. Calculated as the total of direct costs, support costs, depreciation, interest and debt servicing.

**Council-Controlled Organisation (CCO)** means a council organisation that is:

- a) a company-
  - i) in which equity securities carrying 50% or more of the voting rights at the meeting of the shareholders of the company are-
    - A) held by one or more local authorities; or
    - B) controlled, directly or indirectly, by one or more local authorities; or
  - ii) in which one or more local authorities have the right, directly or indirectly, to appoint 50% or more of the directors of the company; or
- b) an organisation in respect of which one or more local authorities have, whether or not jointly with other local authorities or persons,-
  - i) control, directly or indirectly, of 50% or more of the votes at any meeting of the members or controlling body of the organisation; or
  - ii) the right, directly or indirectly, to appoint 50% or more of the trustees, directors, or managers (however described) of the organisation.

**Council-Controlled Trading Organisation (CCTO)** A council-controlled organisation that operates a trading undertaking for the purpose of making a profit, formerly known as a Local Authority Trading Enterprise (LATE).

**Depreciation** The cost or value of the economic benefit of an asset used during a financial year.

**Funding Policy** The Funding Policy sets out who should pay for Council's activity and how they should pay for the activity.

**Groups of Activities** The Council's services are divided into four groups of activities - Leadership, Building Communities, Supporting the Economy, Protecting the Environment - based on their relationship and the rationale for providing them.

**Indicators** Measures to help the Council to assess whether the outcomes are being achieved.

**Infrastructural Assets** Fixed utility systems that provide a continuing service to the community that are not generally regarded as tradeable. These assets include roads, water and sewerage services and stormwater systems.

**Long Term Council Community Plan (Community Plan)** A plan which outlines the Council's programme for the next 10 years and how it will contribute to achieving the community outcomes.

**Objectives** A specified result which is measurable in time, quantity, quality or cost.

**Operational Expenditure** All funding for providing services on a day to day basis, excluding renewal and capital expenditure.

**Operating Revenue** Revenue received as part of day-to-day activities. Includes user charges and rates but not capital revenue (such as new loans).

**Outcomes** The goals the Council is helping the community to achieve.

**Performance Target** The performance target or other measure by which performance may be judged in relation to the objectives.

**Policy** A course of action or set of parameters adopted by the Council or by management within which decisions can be made and action can be taken.

**Renewal Expenditure** Funding for works that replace the existing assets over their projected lifetime. Generally funded from the depreciation reserve fund.

**Separate Rate** A rate levied over a particular group of properties that receive or are capable of receiving a specific service or benefit additional to that provided by general rate funding.

**Service Delivery Plan** Outlines each of the Council's activities including service levels, performance measures, issues and future demand.
