- The Council has decided to join with other local authorities to establish a company to be used for the development and delivery of shared services.

  - A proposal for the revision of many of the Council's bylaws was approved and is now out for consultation until 18th July.
  - Thirty submissions were received in respect of the review of the District Plan. A summary report is now being prepared, and further submissions on the submissions will then be possible until the end of August.

Apology received from G Hale
- Ray produced a letter from 2001 where R Taylor advised that TDC had resolved that they assumed ownership and responsibility for the Lindauer studio building, bronze bust and palette. Carole to ask C Veale if the studio is to be painted; Kevin reported that he thought it would be as Colin had rung him to ask what colour he preferred. Carole is to also enquire as to the maintenance of the gardens as this should also be done by TDC.
  - Kevin supplied the group with some ideas of new prints for the studio.
  - Ideas for studio: Sign on outside of building, sign at eastern entrance, display case and artefacts, more prints, wax model of Lindauer.
  - Ray & Kevin to be co-ordinators, Ray is keen to help with funding applications, Carole to take notes and report to WDV quarterly.
  - Will seek funding for eastern entrance sign from Pub Charities, and seek funding from the TDC Heritage Fund to produce a print of Samuel Bolton.
  - Have decided to hold meetings as required.
