Community Connections Committee

Purpose

The Community Connections Committee will provide oversight of community related connections, facilities, parks and reserves, customer services and other initiatives and collaboration.

Key Responsibilities

The Community Connections Committee will have the responsibility for providing strategic oversight and guidance on matters relating to community connections, facilities, parks, and reserves. It supports and fosters collaboration across a range of community initiatives and partnership activities.

- Monitoring of community facilities, parks and reserves
- Monitoring of customer service delivery and libraries
- The fostering of connections with community organisations
- To provide oversight and input into customer service-related matters to ensure services are responsive, accessible, and aligned with community needs.
- To provide a forum for discussion and consideration of community-related issues, making recommendations to the Council to support informed decision-making.

Delegated Authority

Committee has powers of recommendation only.
