I am writing in response to your official information request dated 23 December 2025 regarding the painting of the Dannevirke Town Hall.

You requested information about the estimated budget or cost for the project, and whether a local supplier had been selected.

Funding for the work was included in the Community Buildings operational budget through the Annual Plan process. The 2024–25 Annual Plan allocated \$46,000 for the project. However, as outlined in the Twelve Month Performance Report, the tender process showed that this amount was insufficient. The unspent funds were therefore carried forward into the 2025–26 financial year to allow the project to be completed. An additional \$115,000 was allocated in the 2025–26 Annual Plan.

You can find further detail in the 12 Month Performance Report presented at the Council meeting on 27 August 2025, available on our website:

A local supplier was awarded the contract following the tender process.
