## Details of vehicle crossing (Reason for application)

Type required: ☐ Single ☐ Double ☐ New ☐ Upgrade

Number required:

Installation date (please allow 15 working days for processing of application)  /  /

## Statement / terms and conditions

Contractors working on/connecting to Council assets agree to:

- obtain all relevant approvals prior to carrying out works (corridor access request and traffic management plan);
- complete the work to standards outlined in NZS 4404 and Council's District Plan;
- provide a notification of completed works, and associated satisfactory as-builts;
- contact Council's contractor (Tararua Alliance) if any changes/amendments are made to approved plans.

I also understand that:

- I am responsible for all costs associated with physical works, legal costs and reinstatements once I have gained official approval;
- lodgement does not guarantee approval of installation;
- only accredited contractors are permitted to work on Council assets;
- approval will be issued within 15 working days of Council receiving this completed form;
- the application fee is to be paid at the time of submitting this application.
- an approved Corridor Access Request and Traffic Management Plan *must* be obtained prior to commencing work.
- any work completed without approval will not be signed off as complete.
- failure to obtain the necessary approval prior to commencement of works may incur penalties/fess up to \$5000.00.
- This application is only valid for 12 months. If works have not been completed within this timeframe, a new application and fee will be required.
