# General Information

## Vouchers

### Only Eketāhuna, Pahiatua, and Woodville

Individual vouchers can be purchased from the Council's service centres in Woodville, Pahiatua, and Eketāhuna.

A voucher will allow you one load to either the Woodville, Pahiatua, or Eketāhuna transfer stations. They are not accepted at the Dannevirke Transfer Station or the Pongaroa landfill.

You can purchase \$52.00 (car only) or \$84.00 (equivalent to one cubic metre) vouchers. Hand your voucher to the landfill/transfer station attendee upon arriving to dispose of your refuse.

## Dannevirke Transfer Station

At the Dannevirke facility all domestic and green waste is charged by weight. The weight is calculated by weighing all vehicles (including trailers) in and out of the transfer station, and you will be charged on a per tonne basis for the weight of the rubbish and green waste dropped off at the site.

Domestic waste is charged at a rate of \$468.00 per tonne, for all vehicles, with a minimum charge of \$10.00.

Green waste is charged at a rate of \$130 per tonne, with a minimum charge of \$10.00.

### EXAMPLE

A small trailer with a load of general waste weighing 50kg will cost **\$23.40**

Vouchers are not accepted at the Dannevirke facility, as waste is charged by weight – not by vehicle or load size as at the other facilities in the district.

The Dannevirke community recycling centre is located as you enter the gates to the transfer station – you will see the recycling bins located to the right of the roadway.
