

Tararua District Reserves Management Plan – 1st Round Consultation Survey

We want to hear your thoughts and ideas on our reserves. The term 'reserve' in this survey has been used to cover all parks, domains and reserves.

In the first three questions we'd like to get your general thoughts about reserves across the district.

In the next two questions, we'd like to ask you about specific reserves in your local area.

You can answer as many or few questions as you like, you do not need to complete every question.

PART ONE: Questions to address the whole reserves network:

1. What do you value most about our reserves?
2. Are there any key issues or problems with our reserves?
3. What can we do to protect the special values of our reserves?
4. What would make our reserves better in the future?
5. Can you tell us what you like about your local reserve? (Please include the name & location)
6. What could be improved in your local reserve (Please include name & location)?
7. Is there anything else you'd like to mention about the reserves in the Tararua District?

PART TWO: Personal information/demographics

- **Gender**
- **Ethnicity:**
- **Age:**
- **Would you like to be contacted in the next phase of consultation to provide further feedback on the Draft Tararua District Reserve Management Plan? (Yes/No, if yes then we seek further personal details such as name, phone number and email address).**
