Kia ora

Thank you for your official information request of 11 May 2026 regarding voter turnout by age and roll type.

The Council does not collect or hold this data. Voting statistics for local authority elections are compiled by the Department of Internal Affairs.

Their *Local Authority Elections Statistics 2025* report is available online at the link below: https://www.dia.govt.nz/diawebsite.nsf/wpg_URL/Services-Local-Elections-Local-Authority-Election-Statistics-2025

However this report does not drill down into voter turnout by age bracket and roll type. For that level of information, you may need to contact the Electoral Commission who manage the electoral rolls (including for local authority elections). They can be contacted online at www.vote.nz or by phone on 0800 367656.

I hope this assists with your enquiry, and please feel free to get in touch if you need anything further.

Kia ora,

I am conducting research on the 2025 local body elections.

I want to generate a table that shows voter turnout by age bracket and roll type (Māori / General).

Do you have this information available? If so can I please have a copy.
