This email is to acknowledge receipt of your request for information, regarding costs of the Toll Free Tararua campaign, and provide the following response.

We recently responded to a similar request for information. The response to that request is able to view on our website, on the following link:

[Information Requests - Proactive Release | Tararua District Council \(tararuadc.govt.nz\)](https://tararuadc.govt.nz)

The response on our website outlines the costs of the Toll Free Tararua campaign, and we hope that information is helpful in answering your question about the costs and budgets the expenditure has come from.

With regard to number of staff hours spent on the campaign, we do not hold information on allocation of staff time.

We do note however that the campaign has been largely driven and undertaken by elected members along with community volunteers.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

EXTERNAL EMAIL ALERT: Caution advised. This message is from an external sender. Verify the sender's identity and use caution with attachments and links.

Hi there - I'd like some information on the toll free tararua programme please - I'd like to know who is paying for all the promotion/ which budget it comes out of and what the cost has been to date and what any projected expenses are and the time frame.

I would also like to know how many council staff hours have been spent on it and how many are projected to be spent, and over what time frame.

Best wishes
