I refer to your official information request dated 6 September 2024, seeking information on Section 17A reviews previously undertaken by Tararua District Council, and the current RFP process being undertaken for support to complete S17A reviews.

Part of the information you have requested is enclosed. You will find attached copies of reports considered by the Tararua District Council in 2016, 2017, 2023 and 2024 regarding S17A reviews, including the outcome of reviews. The 2023 report includes the schedule of reviews that the Council had decided to undertake in this review period. The 2024 report highlights that Council's proposal to undertake S17A reviews of three services would be communicated to the community through the Long Term Plan consultation Review process. The third review was included due to a change in the delivery of the service. A copy of the LTP consultation document is attached, refer pages 48-50.

With regard to your request to be supplied with a list of parties that responded to the RFP, and the submissions from the three parties assessed to best meet the needs of the Council, please note we are currently in the procurement process for this RFP. For this reason we are unable to provide you with any information from this process that is still underway. Therefore we decline this part of your request under section 7(2)(b)(ii) of the Local Government Official Information and Meetings Act 1987 "would be likely unreasonably to prejudice the commercial position of the person who supplied or who is the subject of the information". Releasing information from a current tender process would compromise the integrity of the process.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.
