DECISION

Authority

The functions, powers and duties as the District Licensing Committee is delegated to the committee chairperson where no objection has been filed, and no matters of opposition have been raised by the Police, Medical Officer of Health, and Inspector, in respect of the following applications:

- an application for a licence;
- an application for a manager's certificate;
- an application for renewal of a licence or manager's certificate.

Statutory Provisions

- Section 191(2) of the Sale and Supply of Alcohol Act 2012
- Council resolution dated 23 November 2013;
- There is no Local Alcohol Policy in place.

Summary of Evidence

Reports from Police, the Medical Officer of Health and the Inspector appointed under the Act do not oppose the issue of a licence. Based on the information provided to me on the complete file, I have determined not to convene public hearings.

Management of Special Licence

An exemption under Section 213(2) of the Act has been sought by the applicant and is recommended by the Inspector. I am satisfied that a responsible person can effectively manage this event and an exemption is granted.

I have considered the application and have had regard to Section 4 of the Act, being the Object of the Act and have had regard to Section 142 of the Act, being the criteria for issue of of Special Licences.

I have considered this application on the basis of the reports received where no objections have been raised. I therefore conclude there is no reason not to grant this application.

Decision and Reasons

All reports are satisfactory and no objections have been raised to the granting of this application.

Therefore I determine that this application for a Special Licence be granted.

The licence may be issued immediately to Fiona Healey, the applicant.
