I refer to your official information request dated 10 December 2025 for information about changing rooms at Council's swimming pool facilities.

The Tararua District Council owns three outdoor swimming pool facilities in the Tararua District, located in Eketāhuna, Pahiatua and Woodville. These are managed by local community groups, who contribute many volunteer hours to their operation.

Our responses to your questions are outlined below:

1. Do you provide communal single-sex changing and showering facilities? **Yes – male and female facilities provided.**
2. Do you provide single occupancy changing and showering facilities? If so, how many at each site? **No.**
3. Please provide any policies or procedures that apply to trans-identified people who wish to use the changing and showering facilities in your sites. **N/A**
4. How are your different changing and showering facilities labelled and described? **N/A**
5. At your sites, which changing room and showering facilities is a trans-identified male permitted to use? **N/A**
6. If applicable, do your facilities allow trans-identifying males to attend Women Only swim sessions. **N/A - all swim lessons are by age, not gender.**
