Kia ora [REDACTED]

I refer to your official information request dated 5 November 2025 for a breakdown of costs for water meters and installation, and the scheduled date for installation.

This project is currently in procurement phase, meaning we do not have a locked in cost to install or purchase the meters at this time. This also means there are no dates for the installation at this time either.

Thank you for reaching out, we completely understand that having clarity around timing and costs is important.

You have the right to seek an investigation and review by the Ombudsman of this decision.

Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Ngā mihi,
