Hi There,

My name is [redacted], I am writing on behalf of a nationwide network of home owners affected by the new cell phone tower law amendments on October 8th.

Could you please provide me with a list of all applications submitted to council since October 8, 2026 relating to the installation of new telecommunication facilities/poles/towers by Connexa Ltd, Fortysouth Ltd or any other individual or party acting on behalf of a telecommunication company.

We require street locations and tower heights. This list is required for an urgent nationwide review into the new amendments.

Please feel free to call me if you require any further information.

Kind Regards
