- Applications must be received **not less than 16 weeks prior** to the date of the proposed closure. An application fee will apply. Please refer to the current fees and charges.
- The applicant will be liable for the cost of advertising associated with this road closure application. Under the terms of the Local Government Act procedure, the closure must be advertised prior to its consideration by Council, in order to allow an opportunity for public objection. Council will arrange the appropriate advertising in its standard format, and the costs will be passed on to the applicant.
- Council will consult with the New Zealand Police as required under the terms of the Local Government Act.
- This application, and any public or Police objections, will be considered at an ordinary meeting of the Tararua District Council. The Tararua District Council reserves the right to decline any application for road closure at its discretion.
- Should this application for road closure be approved, the following standard conditions will apply:
 1. That the Council's Alliance Manager or (nominee) in conjunction with the event organiser will assess within one week prior to this event, the condition of the roads involved and whether the pavement can cope with the event.
 2. That if the Alliance Manager (or nominee) identifies any road or roads as being unlikely to cater for the event without significant remedial work, then he has the discretion to request the organiser to withdraw such road/s from the route of this event.
 3. That within **48** hours after the event has been held, the Alliance Manager (or nominee) and event organiser shall jointly carry out a drive over of the roads that were closed for this event to assess their condition.
 4. That should the Council incur any additional maintenance costs as a consequence of this event being held, then these expenses shall be recovered from the rally organiser.
- Council further reserves the right to impose any other reasonable conditions in relation to a road closure as it deems appropriate.
- Successful applications will require a further advertisement to notify the public of the date and time of the road closure/s. This will again be arranged by Council on behalf of the applicant, and the actual cost passed on.
