To Whom it May Concern

RE: Request for Information - LGOIMA

Exeloo is a manufacturer of public toilets for use in public parks, metro locations and other public spaces. We are conducting a market scan for public toilets in New Zealand for business planning.

Public toilets are provided by civil contractors, builders, prefabricated manufacturers and councils (through subcontracts and aligned vendors). We are interested to understand the number of public toilets that have been installed in the Tararua District Council jurisdiction

since January 2024.

The information requested is:

1. List the projects for or, involving public toilet installation or construction that were awarded by Tararua District Council from 1st January 2024 to 31 October 2026 (inclusive) and the date they were awarded.

2. For each project listed in response 1 above, please advise:
    a. The name of the successful bidder for the project delivery of each contract
    b. The name of the constructor of the public toilet for each project
    c. Whether the design of the public toilet element of the project was prefabricated or design / built on-site
    d. The number of other independent bids received and

3. For each project listed in response to 1, above please advise the project name the street address or, other identifier used by the council to manage the asset

4. For each project listed in response to 1, above please advise the number of cubicles installed for the site

Attached is a response table that provides a guide for the information requested along with an example of the format for response. We appreciate your assistance in this matter.

Best regards
