Kia ora

I am writing in response to your official information request dated 14 April 2026 regarding the number of graduate or entry-level roles advertised for recent university graduates since 2020.

We advise that the Tararua District Council does not have any graduate or entry-level roles specifically designed or advertised for recent university graduates during the period 2020–2026 (inclusive).

Dear Sir or Madam,

Official information request: Availability of Graduate Roles in Council

Please supply the following information under the Local Government Official Information and Meetings Act:

How many graduate and entry level roles were advertised/created by this council, if any, for each year from 2020 to 2026 (inclusive)? This may pertain to any position within the Council designed/intended for recent university graduates and does not exclude roles that were advertised, but not filled, due to lack of interest or appropriate candidates.

The request for this information has been made as part of an inquiry exploring potential patterns & changes in the number of available graduate roles in the public sector in consecutive years from 2020.

If you need any more information from me, please let me know as soon as possible.

I understand that a decision on a request for information under the LGOIMA should be made within 20 working days of receiving that request.

Regards,
