Thank you for your request for information regarding any noise complaints relating to the tenant occupying the property you manage.

Council has considered your request under the Local Government Official Information and Meetings Act 1987.

Unfortunately, we are unable to provide the information requested. Information about complaints relating to a particular residential property may reveal personal information about identifiable individuals, including both the occupants of the property and any complainants. For this reason, the information is withheld under section 7(2)(a) of LGOIMA, to protect the privacy of natural persons.

Council has considered whether there is a public interest in releasing the information that outweighs the privacy interests involved and has concluded that there is not.

If you are acting on behalf of the tenant and can provide written authority authorising you to receive information on their behalf, Council would be happy to reconsider the request.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.
