Kia ora

I refer to your official information request dated 20 August 2025 for information about road cones removed from roads as a result of tips submitted to the 'Road Cone Digital Hotline' since its launch on 3 June 2025.

We can advise that no road cones have been removed from sites as a result of the hotline, and no actions have been taken as a result of the hotline.

This is due to the one hotline notification being in regards to a site where works were completed and TTM removed before the notification was received.

Ngā mihi
