Kia ora

I refer to your request for information dated 17 September 2025 for relating to dates that the agreements with both Rangitane and Ngati Kahungunu were entered into.

We have the following information available on our website on this matter:

“In March 2000 the Tararua District Council entered into a partnership agreement with the tangata whenua, Nga Hapu o Rangitane. The partnership objectives are wide-ranging with an emphasis on regard for the environment, and consultation on issues relating to social, economic and cultural wellbeing and development. The partnership agreement provides the foundation and formal structure for regular proactive consultation and the mutual consideration of views.

A memorandum of partnership was entered into with Ngati Kahungunu in September 2019 to represent their collective interests. It has similar objectives to the above, and sets out the basis of their relationship the Council through working together collaboratively.”
