Application for special licence (on-site)

Information Sheet

Please read the following notes before completing the application.

Failure to supply all details in full could see the issue of your licence delayed or your application opposed.

When do I need a Special Licence?

If you are holding a function or an event where alcohol will be sold, either over the bar, by ticket system, donation or koha, or where the cost of alcohol is included in pre-sold tickets, you are deemed to be selling alcohol. If you are selling alcohol you need a special licence. If the event is in already licensed premises such as a bar, café, tavern or sports club and is within the conditions of that premises licence then you are covered by that licence. However, if the event is being held in premises not already licensed, or is outside the usual hours or conditions of an existing licence you need a special licence.

Types of Special Licences

There are two types of special licences:

On-Site – Allows for the sale and supply of alcohol at your event for consumption on the premises.

Off-Site – Allows for the sale and supply of alcohol at your event for customers to purchase un-opened bottles of alcohol to take away from the premises and to allow free tastings.

There are separate applications for an on-site and off-site special licence. Please ensure you complete the correct application for your event.

Timeframes

Allow as much time as possible before the date of an event to obtain all appropriate consents. Unopposed special licence applications take approximately 30 working days to process. Applications received outside of this timeframe may not be determined before the event. The District Licensing Committee meets on the first Friday of each month.

Please be aware, special licence applications for events in the months of December, January, and February should be submitted in early November. Otherwise, the application may not be determined in time for your event.

Certified Manager

The District Licensing Committee, Police, and Medical Officer of Health (MOH) may require, as a condition of a special licence, that the holder of a manager's certificate be present and responsible for the sale of alcohol under the licence.

Plans

(Not required for events held on premises that are already licenced – i.e. bar, hotel, club.)

Please supply an A4 plan of the interior of the premises showing the following:

- Principal entrance.
- Fire exits.
- Evacuation assembly points.
- Position where alcohol is to be sold or supplied.
- Kitchen.
- Toilets.
- Smoking area.
- Security.
- Access to free water.
- Designated areas.

Also required is a Google Earth aerial map showing the exact location of the premises.

Building and Planning Requirements

A building consent and/or a planning consent may be required before a special licence is issued if you intend to use a building that is not normally used as a licensed premises and/or a marquee or tent is required. This process may take up to 10 working days. For more information about obtaining a consent, phone 06 374 4080.

The building owner has an obligation under the Building Act to ensure that the building is safe and fit for its intended purpose. Please provide confirmation from the building owner that the building is appropriate for this type of function.

Please note

The applicant must be the party that will be taking the money/profit from the sale of alcohol – i.e. the name on the bank account.

The application is only to be signed by the applicant.
