

North Island

NEW ZEALAND

Wellington

Untouched coastline, bush-cloaked ranges, sparkling fish-filled rivers...

Rugged ranges, remote coastline, bush-clad valleys – defined by hundreds of kilometres of river. The Tararua District stretches from Mount Bruce to north of Norsewood, and is bounded by the foothills of the majestic Ruahine and Tararua Ranges, and the shores of the Pacific on the East Coast. The physical presence of Tararua is awesome.

In the beginning...

The Kurahaupo canoe made landfall on the Mahia Peninsula; the three principal chiefs on board were Ruatea, Whatonga and Popoto. Rongomaiwahine of the Mahia Peninsula, one of the descendants of Popoto, married Kahungunu, a descendant of the Takitimu aristocracy. Their marriage was the beginning of the Ngati Kahungunu of Hawke's Bay.

Whatonga established himself near Cape Kidnappers, and built himself a house, which he called 'Heretaunga'. Whatonga's son, Tara, who was born in Hawkes Bay, finally made his home in the Wellington area. His name is commemorated in many places from Napier through to Wellington. From Whatonga's second marriage was born Tautoki, who was the father of Tane-nui-a-Rangi, or Rangitane as he is more commonly known.

Tara's descendants, the Ngai-Tara, and the Rangitane people eventually peopled many parts of the Heretaunga, Central Hawke's Bay, Tararua, and Wairarapa areas. The pre-European history of the district tells of a vast primeval forest with clearings occupied by Maori.

European settlement within the district started in 1854 when the first

sheep were driven up the coast from Wellington to establish coastal stations, but access to this area remained almost entirely by sea until well into last century.

There are some great communities waiting to be discovered in Tararua. Each has a unique identity, story to tell and experience to share. From the hardship tales of the Scandinavian settlers who felled the Seventy Mile Bush, to the pioneers who established farming on the district's rugged east coast at Herbertville and Akitio. These communities are one of the elements that make this district unique in New Zealand.

Around 95% of Tararua's 400,000 hectares is farmed and the district has a reputation for producing high quality stock. Sheep, beef, and dairy are the most significant types of farming, representing 90% of all holdings and accounting for 99% of total stock units. Forestry is a growing industry and there are now more than 13,000 hectares planted in pinus radiata.

Pastoral farming continues to be the major economic sector within Tararua.

Tararua is a unique, proud, and diverse district of rugged unspoiled landscape

FEES AND CHARGES 2020/21

 TARARUA DISTRICT COUNCIL

This document is the Fees and Charges of the Taranua District Council, for the period 1 July 2020 to 30 June 2021.

The Fees and Charges 2020/21 were adopted by Council on 24 June 2020.

All fees and charges include GST, unless otherwise noted.

**TARARUA DISTRICT COUNCIL

Regulatory

Building

Building fees and charges are charged under the Building Act 2004. Building infringements are determined by statute and can be found in the Building (Infringement Offences, Fees and Forms) Regulations 2007. The Building Research Association of New Zealand (BRANZ) levy is charge under the Building Research Levies Act 1969. The Ministry of Business, Innovation and Employment (MBIE) levy is charged under the Building Levy Order 2005.

Building Advice

Application and compliance advice no charge

Building Consent Applications

Government Levies

Certain building consent applications must pay government levies in addition to Council's building consent fees below. We collect the levies and pay them to the Building Research Association of New Zealand (BRANZ) and the Ministry of Business, Innovation and Employment (MBIE). The BRANZ levy is \$1.00 per \$1,000.00 for building work valued at \$20,000 including GST or more. The MBIE levy is \$1.75 per \$1,000.00 for building work valued at \$20,444.00 including GST or more.

Examples of how the levies work

| Building project valued at | Building project valued at | Building project valued at |
|--|---|---|
| \$20,000 | \$25,000 | \$30,000 |
| Building Research Levy = \$20.00 MBIE Levy = \$0.00 | Building Research Levy = \$25.00 MBIE Levy = \$43.75 | Building Research Levy = \$30.00 MBIE Levy = \$52.50 |
| Total levies = \$20.00 | Total levies = \$68.75 | Total levies = \$82.50 |

Building Research Levy \$1.00 per \$1,000 value or part thereof for project valued at \$20,000 or more

MBIE Levy \$1.75 per \$1,000 value or part thereof for project valued at \$20,444 or more

Accreditation Fee

All building consent applications must pay a Council accreditation fee, in addition to Council's building consent fees below. To issue building consents, we have to meet certain standards set by the government (accreditation). This fee helps to cover the cost of meeting those requirements (Building Accreditation of Building Consent Authorities Regulations 2006).

Accreditation feeper consent application..... 45.00

| Description of fee/charge | Unit | Fee (\$) |
|--|------|----------|
| Building Fees | | |
| All our fees are "deposits" unless we identify them as "fixed". This means we may charge additional fees if necessary to cover the actual time involved. Our fees are set at 100% of the average time involved. But, if you have a large or complex building project, you should budget to receive additional fees on top of your deposit. | | |
| You'll need to pay all your levies and fees at the time you lodge your application. If we need to charge you additional fees, you'll need to pay those before we can provide you with the approved consent or code compliance certificate. | | |
| Building Consent Application Fees | | |

Water Supplies

Applying restrictors to reduce flow

For accounts outstanding for more than three months, Council will install restrictors to reduce flow of water to the property. Cost to install restrictor(s) will be charged to the owner of the property.

| | | |
|-----------------------------------|----------------------|--------|
| Installation of restrictors | per restrictor | 200.00 |
|-----------------------------------|----------------------|--------|

Metered water charges

Water fees are set under the Local Government (Rating) Act 2002 Section 16(3)(b), Section 19(1), Section 19(2)(a) and Section 19(2)(b). The following is an extract of the Funding Impact Statement from the 2020/21 Annual Plan.

All extraordinary users (except for below)

| | | |
|--------------------|-------------------|--------|
| Fixed charge | per quarter | 134.47 |
|--------------------|-------------------|--------|

| | | |
|--|--------------------------|------|
| Plus quantities in excess of 80 cubic metres supplied during the three month period | per m ³ | 1.75 |
|--|--------------------------|------|

All large industrial and intake line users

| | | |
|--------------------|-------------------|--------|
| Fixed charge | per quarter | 134.47 |
|--------------------|-------------------|--------|

| | | |
|--|--------------------------|------|
| Plus quantities in excess of 80 cubic metres supplied during the three month period | per m ³ | 0.87 |
|--|--------------------------|------|

Note: a cumulative finance charge of 10% will be added to overdue accounts that will be assessed following each quarterly invoice.

Refer to page 81 of the 2020/21 Annual Plan for the full Funding Impact Statement.
