3. Submission details  (Please use and submit additional pages as necessary)

The specific provisions of the proposed plan change that my submission relates to are (please give details):

5.5 Screening standards and Demolish Vehicles, Buildings and Sites.

My submission is that:

(State in summary the nature of your submission. Clearly indicate whether you support or oppose the specific provisions or wish to have amendments made, giving reasons.)

I support the proposed changes to this section of the District Plan.

The successful implementation of the change would enable local councils to have the power to enforce landholders to "tidy-up" premises that detract from the rural landscape. In the changing of car booby and removed rubbish on private land without paper and dust bins, it is environment.

The difficult part of enforcing this will be the fact that often the land owner in these situations has little or no means to rent to or to afford an "enforced tidy-up", and this fee paid per year is a large one the local council to pay for the "tidy-up" of the said "eyesores"
I seek the following decision from the Tararua District Council (please give precise details, use additional pages if required):

I have included (insert number) additional pages.
